FOOD

From Bread to the Pickles,
We Make it!
From the Veggies to the Meat,
it's Ethically Sourced!
From the Wrapper to the Utensils,
it's Biodegradable!

PRINCIPLES

**Flawless Food,
Flawless Ethics,
Four The Cause**

CAUSE

We Believe
**Regardless of Creed or Station, Every-
one Deserves Access to Fresh Food!**

Across the nation, there are areas defined by the United States Department of Agriculture as Food Deserts, which are areas devoid of access to fresh food. A portion of every sale goes directly to local charities that put fresh food in the hands of people who reside within these areas.
